

14 Hummingbirds in Louisiana

Ruby-throated Hummingbird

Resident

Only breeder; regular but outnumbered by western vagrants in winter

Allen's Hummingbird

Migrant/Winter

4 accepted records (2001-03), now common enough to lose review status

Black-chinned Hummingbird

Migrant/Winter

Uncommon but regular wintering species since 1955

Broad-billed Hummingbird

Migrant/Winter

Removed from review list Mar 2025; regular banding-confirmed returnee

Broad-tailed Hummingbird

Migrant/Winter

Non-review since 2002; 1 accepted record, several rejected as look-alikes

Buff-bellied Hummingbird

Migrant/Winter

Non-review since 1988, the longest of any LA hummingbird

Calliope Hummingbird

Migrant/Winter

Removed from review list 2002; dozens of banded winter records

Rufous Hummingbird

Migrant/Winter

Dominant regular wintering western hummingbird; never review-listed

Anna's Hummingbird

Rare Visitor

2 accepted records (2002, 2017), on the active Review List

Blue-throated Mountain-gem

Rare Visitor

3 accepted records spanning 3 decades (1992, 1995, 2021-22)

Green-breasted Mango

Rare Visitor

3 accepted records (2009, 2023, 2023-24), including a wintering bird

Mexican Violetear

Rare Visitor

3 accepted records across 3 decades (1999, 2004, 2016)

Lucifer Hummingbird

Historic

1 accepted record (Dec 2017, New Iberia), Louisiana's only

Rivoli's Hummingbird

Historic

1 accepted record (Nov 2004, Slidell), Louisiana's only
